

CRIA
SENAC SP

A white ceramic mug is the central focus, sitting on a dark, reflective surface on a balcony. The mug features a logo with the word 'CRIA' in a stylized, outlined font. Below the letters, there are circuit-like lines and dots. To the right of these lines, the text 'SENAC SP' is printed in a smaller, sans-serif font. The background is a blurred cityscape at sunset, with warm orange and yellow light from the sun and city lights. Several potted plants in red and brown pots are visible on the balcony railing to the left and right of the mug.
